Guide To Mini Cooper S

Mini At the risk of being accused of fat-shaming, the new Mini Cooper S is a bit of a porker. If the Austin/Morris original yipped through the corners like a terrier after a rat, then the current...

Mini Cooper S - Everything You Need to Know Before Buying

...

Mini Cooper S. The Mini Cooper S is a sportier variation of the first model of the new generation Mini Cooper introduced in 2001. The Mini Cooper S model was the only production model to include a supercharger intake system which was later replaced by a turbocharger in the second generation. The Mini Cooper S also featured additional performance enhancements including a racing exhaust and air filter as well as improved suspension and 17 " racing wheels.
