City of Bones (The Mortal Instruments Book 1) Kindle Edition
This is the e-book equivalent of a box set of the first four books in the Mortal Instruments series by Clare. These books are the kind of thing that I find hard to put down once I start reading them. Clare weaves an intricate magical world into our own world, and she gives her characters strong motivations.

The Mortal Instruments books are generally pretty long. But, sometimes they can be too long as is the case with City of Lost Souls. The length of this book gives way to repetition; I felt that some of the same things were being said over and over, some of the same points were being re-re-emphasized.
