The Book of Genesis is a comic book illustrated by American cartoonist Robert Crumb that purports to be a faithful, literal illustration of the Book of Genesis. It reached #1 the New York Times graphic novel bestseller list and on the Christian books list at Amazon.com. Given Crumb's past body of work, and his professed rejection of religion, many assumed when the book was announced that it would be a satire or otherwise profane or subversive send-up, and were surprised or disappointed to find i

Summary : Envisioning the first book of the Bible like no one before him, R. Crumb, the legendary illustrator, retells the story of Genesis in a profoundly honest and deeply moving way. Originally thinking that he would do a takeoff of Adam and Eve, Crumb became so fascinated by the Bible's language, "a text so great and so strange that it lends itself readily to graphic depictions," that he decided instead to do a literal interpretation using the text word for word, assembled primarily from ...
